

## HYDRANT FLUSHING SCHEDULE

The following is a tentative schedule for hydrant flushing on the Clifton Park Water Authority system.

Unforeseen circumstances may cause this schedule to be altered, so customers are advised to use this as an approximation only. Signs will be posted at the entrances to subdivisions prior to and during flushing activities in that area. Daily updates on the progress of the hydrant flushing program can be found on the Authority's website, [www.cpwa.org](http://www.cpwa.org), or by calling the CPWA at 383-1122.
